## Urban Mission Network News

### November Gathering

Thursday 22 November

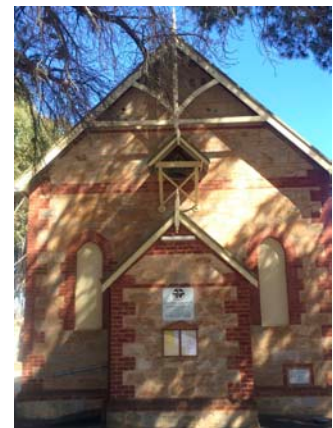

#### Sandy Creek Uniting Church

162 Williamstown Road, Sandy Creek

6.00 pm – 8.45 pm

with guest

Rev Mark Kickett,  
Development Officer for Congress

#### *Theme: Moving Forward with the First Peoples*

We are delighted by this invitation from Sandy Creek Uniting Church, a welcoming congregation that greets all with a “warm handshake and a smile as wide as the surrounding countryside.”

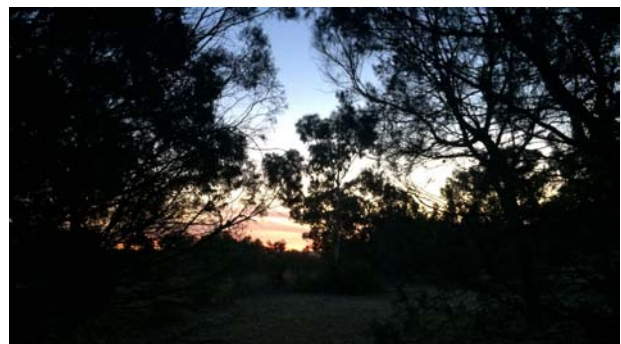

Daylight saving offers an opportunity to worship in the delightful bush chapel. With Sandy Creek’s reputation for hospitality and great food, we can look forward to smiles of satisfaction.

**Car pool** We do not want travel constraints to be a reason for missing the peaceful surroundings and the treats for which Sandy Creek Uniting are well-known. With Sandy Creek 48 minutes from Gepps Cross, car-pooling will mean good stewardship of resources. Please contact [susan@urbannetwork.org.au](mailto:susan@urbannetwork.org.au) if you would like to ride with another. If you can offer a ride to another, please let Susan know, also.

Members of Sandy Creek Uniting are loyal supporters of Urban Mission Network. This is an opportunity to learn a little more about this small-member congregation that is big on being church – and an opportunity to watch the sunset over the gums.

**Urban Mission Network will cover the cost of meals**

RSVP to [susan@urbannetwork.org.au](mailto:susan@urbannetwork.org.au) (0412552703) before Thursday 16 November
